

**2 DEGREES IS
THE LIMIT !**
Sign the petition!

We, **the undersigned**, as part of the Pole to Pole Campaign of the European Association of Zoos and Aquaria, demand the commitment of our national governments and the European Union to support all measures which help **keep global warming under the 2°C limit**, and to work towards a binding global agreement at the intergovernmental meeting on climate change in Paris in December 2015. (Visit www.poletopolecampaign.org for more information)
